September 21, 2011

In conjunction with *MUSIC IN OUR SCHOOLS MONTH* promoted by the MENC (Music Educators National Conference) the Winnisquam Regional High School Music Department is once again sponsoring an "Evening of the Arts" to showcase the visual and performing arts talents of WRHS students on March 28th, 2012.

A spaghetti dinner is being planned in conjunction with this event and we would appreciate any donation that you would be able to provide.

We will be charging a fee for the dinner as it will help us to raise funds to enhance the educational opportunities offered in the music department.

There are currently about 115 students who participate in the music department's performance groups. In addition to this we will be featuring the artwork and handcraft work of the many students enrolled in the Art program and Woodworking program.

Thank you in advance for your support of these talented students!

Sincerely,
