

MyNutriKids.com

our family friendly system for online prepayments and nutrition education

MyKids gives parents a fast, easy, and secure way to add money to their children's school meal accounts (using a credit, debit card, eCheck or a PayPal account), check their children's current school meal account balances, and monitor what items their children have been purchasing at school.

FEATURES

OVERVIEW

- Integrates with NUTRIKIDS® Point of Sale system, which is not possible with other online prepayment offerings
- Parents can make school meal account payments using a major credit or debit card, PayPal account or eCheck
- Allows parents to see their child's current meal account balances
- Parents can view item purchase history for the last 30 days
- Automatic low balance email notifications to parents
- There are no startup, monthly, or annual expenses for MyKids

SECURITY

- Payment processing is handled by PayPal™, one of the largest global online payment processors
- Secure account login using RC4 128-Bit encryption

BENEFITS

FOR THE PARENTS

- 24/7 convenient access to prepayment service and account balances
- Monitor and review purchases made on childrens account
- Manage the entire family's school meal accounts from home or office
- Receipt of payment shows on credit/debit or checking account
- Receive automatic reminders to reload a meal account

FOR THE DISTRICTS

- Faster lines for increased participation and sales revenue
- Reduced cash handling decreases labor costs and reduces risk of loss
- Online prepayments result in the reduction of returned checks
- Less risk of eligibility identification by students
- Automatic low balance reminders to parents reduces extended credit on accounts, as well as staff effort to send notifications

FOR THE STUDENTS

- Less cash handling lets the lines move faster
- No risk of forgetting money
- No need to worry about receiving change from a cash transaction
