

NH State Scholars at Winnisquam Regional School District – Fundraiser

In 2007 Winnisquam Regional School District (WRSD) was one of six school districts to receive a two year grant from the NH Department of Education to initiate the State Scholars Program, which is a program designed to prepare students for college and the workforce by encouraging them to enroll in rigorous curriculum beginning with their freshmen year of high school.

The WRSD has partnered with local businesses and community representatives that will volunteer their time to encourage students to think about career interest by offering job shadowing, company tours, classroom presentations, and mentoring.

The 2009 -2010 school year begins its State Scholars kickoff by promoting a prize calendar to raise money for scholarships for our high school State Scholar graduates. The calendars will go on sale October 23, 2009 for \$5.00 each. Each day a name will be drawn, starting November 15th through December 15th, which consists of prizes donated by our local businesses. You can purchase your calendar at Franklin Savings Bank, Tilton & Franklin Main Office locations, Northway Bank, Franklin & Tilton locations & at the Winnisquam High School's Main Office.

Please help support our students and purchase your calendar today! Thank you to our local businesses who donated the great prizes!

For more information regarding the State Scholars Program, please visit www.wrsdsau59.org. Anyone interested in becoming a business partner for this program, should contact Jason A. Zecha, M. ED., School Counselor at 286-4531.
