

Open House Program

September 28, 2011

The purpose of tonight's open house is to extend the opportunity to parents and community members to become acquainted with the WRHS staff, in particular your student's teachers. Open House also provides the opportunity for the community to ask clarifying questions regarding curricula and to tour the facility. Should you need assistance during your visit, our Student Council is on hand to either assist you or find someone who can.

5:00 – 5:45pm Spaghetti dinner with WRHS Staff

5:45 – 7:00pm Self Guided Tour to meet your student's teachers
