Dear Parents,

'Tis the season for college students to be rethinking their initial choice of college and thinking about coming closer to home or minimizing student loan debt! Have a student in college who is thinking about transferring back home? Please see below...

UNH

Information Session, exclusively for transfer students, on January 12th 2012 from 1-3pm. Students will have an opportunity to learn about the transfer process to UNH and also go on a walking tour of campus.

Please feel free to direct interested students to the following website for information and registration.

PSAT SCORES ARE IN!!

If your student took the PSAT's in October please have them come to the guidance office and sit with a counselor to go over the scores. We will be holding small group meetings each day during break for students to come learn about their PSAT scores. They will come home with a comprehensive report outlining their scores, strengths and areas to study to prepare for the SAT's. Please take time to review this report and connect to the Collegeboard website that helps students and parent prepare for college admissions, "Quickstart"!
