Dear Parent or Guardian:

The NECAP Science testing will take place on May 17 and 18, 2011. Participating students will be testing as follows below. We are enclosing permission slips for you to sign in order for them to be able to be dismissed from school upon completing testing. We ask that you review the exam guidelines and schedule, as these are an important part of the educational process.

**Tuesday, May 17, 2011**  
7:42 – 11:10 NECAP Testing in Gym

**Wednesday, May 18, 2011**  
7:42 – 11:10 NECAP Testing in Gym

Students with the returned signed permission slip may leave after testing is complete.

If a student is absent from a scheduled test, we will make arrangements for make-up tests. Students are not required to be in school after the scheduled testing time as long as the attached written permission is returned. Students are to remain in the gym for the duration of the test period. If students do not have permission to be dismissed after testing, they will attend regularly scheduled classes. Any school work missed due to dismissal must be collected and made up by the student. The school will not provide transportation beyond the regularly scheduled morning and afternoon buses.

If you have any questions regarding the above procedures, please feel free to contact the office.

Sincerely,

Dr. Ronna Cadarette  
Principal
