December 2010

Dear Winnisquam Regional High School Community,

We are currently undergoing several staffing transitions due to a variety of reasons. I will do my best to outline the information for you and keep you updated as needed.

First, I would like to take this opportunity to recognize Ms. Donna Broers for her 14 years of dedicated service as an art educator for the Winnisquam Regional School District. Her devotion to our students and school community will be surely missed. We wish her well in her future endeavors.

At this time, we welcome Mr. Joe Cilley as the long-term substitute for art education at WRHS. Mr. Cilley joins us with a Bachelor of Fine Art degree from New Hampshire Institute of Art. Most recently, he has been a long-term substitute at Belmont High School. He will also be advising the Art Club which will meet on Tuesday afternoons from 2:30 PM to 4:00PM in Room 207. You may reach Mr. Cilley at ext. 107 or email at jcilley@wrsdsau59.org. Please join me in welcoming him to our school.

In addition we would also like to welcome Ms. Darcy O'Brien as the long-term substitute for English. She joins us with a Bachelor of Art degree from University of South Florida. She has taught English and Computer Applications for four years in Alabama. Ms. O'Brien is working in conjunction with the English department to prepare students for AP exams this spring. You may reach her at ext. 108 or email at dobrien@wrsdsau59.org. She has been well-received by students thus far. Our thoughts are with Mr. Byles in his absence.

We join Mrs. Amtmann in welcoming a baby daughter in February. We are in the process of finding a suitable replacement for the science department in her absence. Please check the website and newsletter for updates.

Finally, we anticipate the return of Mr. Linko to his business and math classes on January 3, 2011. We are thankful for the time Mrs. Kim Barnett has spent with us during his absence and the quality of instruction the students have been able to receive this fall due to her excellence and preparedness.

As you can see, we are continually working to provide highly qualified individuals to meet the instructional needs of our students. We are coordinating these transitions in the best interest of students, and encourage your feedback and support. It is our desire to protect the confidentiality of all individuals involved, and answer any questions you may have at the same time. Please contact me with your concerns. I would be happy to speak with you at my earliest convenience. Thank you for your continued partnerships, as you are greatly appreciated.

Sincerely,

Dr. Ronna Cadarette
Principal
