Dear Parents/Guardians,

In the district's effort to continue to "go green" we are offering the student handbooks in electronic form via the school's web page. We have worked hard over the past three years to familiarize students and families with the developmental stages that students go through with regards to the progression of consequences for particular behaviors as they near adulthood and the age of accountability. You will notice that the 2010-11 edition was for both middle and high school students. The updated 2011-12 version will be for high school students only. **Please be sure to check the website below for the 2011-12 student handbook which will be available starting next week.**

DIRECTIONS TO THE STUDENT HANDBOOK:

1.) Go to the following website:

<http://www.wrsdsau59.org/hs/students.hs.html>

2.) Click on the word "Handbook" on the left side of the screen

You can then read, save or print the handbook as you need.

If you would like a printed version and are unable to print one from home, please request a copy from the main office in writing. Please take the time to review the handbook as some changes have been made. It is the students and parents/guardians responsibility to be familiar with the contents of the handbook.

If you have any questions or concerns, don't hesitate to contact us. We are looking forward to a great school year.

Best regards,

Andrew Brauch

Proudly serving the communities of Northfield, Sanbornton and Tilton.
