Dear Families,

The school administration continues to work closely with the Tilton Police Department regarding various safety concerns. This is done in the best interest of the community, as well as the safety and well-being of the students and staff.

This morning we held a fire drill, a reverse evacuation to the gymnasium, and a lock down drill. During the lock down, we conducted a canine search of the high school lockers and common areas with the exception of the gymnasium where students were secured. Two canine units were coordinated with local police departments. We are satisfied that the search was a productive effort, and we remain committed to promoting a sense of PRIDE in our community.

If you have any questions or concerns, please do not hesitate to contact the main office.

Sincerely,

Dr. Ronna Cadarette  
Principal
