Dear Parents/Guardians,

I want to inform you that the high school was under lockdown today from approximately 11:15AM – 12:15PM, due to suspicious material that was found on the boys' locker room floor. In accordance with our school's Safety Plan, the police were notified and the school went into lockdown. A thorough search was conducted by Officer Pinault and school administrators. Nothing was found.

During this time, we ran a modified lunch program to ensure that all students were able to eat and to attend classes at other schools on a timely basis. I commend our students and staff for responding calmly and quickly in accordance with the safety procedures outlined in our School Safety Plan. Had there been an emergency situation, I am confident that we would have maintained the safety of everyone in the building. Please feel free to contact me with any concerns you may have regarding this occurrence.

Sincerely,

Dr. Ronna Cadarette
Principal
