ENRICHMENT FOR ALL

SUMMER
PROGRAM

You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives.

Enrichment for All Summer Program

Looking for a quality program to enrich your child's summer? Look no further!

WRSD's "Enrichment for All" Summer Program offers all students in the district entering grades 3 - 8 a variety of activities for a nominal fee. The cost for a four-day session; 3 hours per day, is \$28. A number of scholarships are available.

***IMPORTANT:** Each program's availability will depend on reaching a minimum number of enrolled students. For example: The Robotic Lego program will only run if there are at least 16 students enrolled. On the contrary, if there is a huge enrollment for a specific program we may be able to offer multiple sessions.

Program Registration Forms are due by: Monday, June 7th. You will receive a confirmation letter before June 18th.
