

3/21/11

Dear Parent/Guardian,

We will be having our next dance on Friday, March 25. It is important that students and parents are fully aware of the dance expectations. We want all students to be safe and have a good time. Therefore, all school rules apply at school dances. In addition:

- Only WRMS students are allowed to attend the dance
- Students may not attend if they are on the NPL (not passing all classes)
- Students must return the signed permission slip and pay the admission fee of \$4 in advance in order to attend. **No permission slips will be accepted at the door**
- Students need a signed permission slip to purchase tickets (the bottom of this letter)
- Students must dress appropriately
- No Public Display of Affection
- Please drop off your child at the door by the main office at 7 pm. Traffic enters from Winter Street *one way*.
- The dance ends promptly at 9pm. Please be sure that your child has transportation home at 9pm. Again, traffic enters from Winter Street *one way*.

Please review the contents of this letter with your child and return the completed bottom portion. Admission may be purchased at lunch through Friday, March 25. Thank you for your help and cooperation to ensure our students are safe and have a great time!

Sincerely,

Shannon Kruger
Assistant Principal

We have reviewed and understand the behavior expectations, and my child has permission to attend the dance on March 25, 2011.
