

## WRHS PRIDE

Parents of the Class of 2014 Members

You are invited to participate in our  
4<sup>th</sup> Annual High School Simulation  
Friday, May 28, 2010

Your child will be spending a day at the high school  
to assist in their transition from the 8<sup>th</sup> to 9<sup>th</sup> Grade.  
(see reverse for detailed information)

One session is designed to give students an opportunity  
to learn more about the history of WRHS and our school.  
We will explore what being a member of our school community means  
and preview what their next four years of educational life will be like.

All students will attend this session and  
we would like you to join us if your schedule permits.

Please review the times below and RSVP to Denise Lessard  
by Wednesday, May 26, 2010 to reserve your spot if you are able to join us.  
**You will not necessarily be in the same session as your child.**

Dear Parents,

We are excited to be facilitating the 4<sup>th</sup> Annual High School Simulation program again this year to assist with the transition of your child to the 9<sup>th</sup> Grade. We all know how this change can be quite overwhelming for everyone involved and it is our goal to provide a safe, productive, and challenging experience.

Our team has designed this "High School Simulation" for your child to participate in with his/her classmates. The entire 8<sup>th</sup> Grade will spend a typical day at the High School. They will attend the following classes taught by High School teachers: English, Social Studies, Math, Science, an elective class and Physical Education.

They will also go on an extensive tour of our campus led by faculty-chosen WRHS student leaders. As the invitation on the back of this explains, they will also have the opportunity to learn what exactly is required of them as WRHS students and how they can become an integral part of our school community. Students will have the opportunity to meet our administrative team.

The 8<sup>th</sup> Grade Team will accompany the students throughout the day and they will be able to get lunch and breakfast as they normally do at the Middle School. ***For a genuine experience, we would like the students to report directly to the high school that day, so please drop them off there if you provide transportation or remind them of this that morning. They will also be dismissed from the high school in the afternoon. Students may be dropped off at the student unloading area at the front entrance and then proceed to the Gymnasium where we will welcome them.***

We are looking forward to an incredible day and we encourage you to contact us with any questions/concerns. As always, we are working to help all of our students be successful and we welcome your input.

Sincerely,

*The WRHS Personalization School Improvement Team*
