

Winnisquam Regional
Middle School PTO presents...

Go Green, Natural and Local

Please join us at the **Middle School** for our first ever
Go Green, Natural and Local Event on
Saturday, May 22, 2010 from 1:00-4:00 pm.

We will have booths set up from numerous local businesses and farms
along with information on becoming more Earth friendly,
recycling options, composting and energy conservation.

This is a **FREE** event for anyone in our community.

There will be free raffles and a door prize up for the winning!

Highlights:

- Ever wanted to know how much electricity it takes to run a computer or other electronics in your home?
- Do you want to know the fastest and easiest way to recycle your household items and reduce waste?
- How does composting help the environment and you?
- Gardening for you and your family..
- Where can I shop locally for earth friendly items?
***thrift stores ***natural food stores ***recycled goods
***farmers markets
- Bring your old ink and toner cartridges to be recycled!

Interested in setting up a booth at our event? Please return completed registration forms to WRMS, 76 Winter St, Tilton, NH 03276 by May 1st.

We are asking that those setting up a free booth at our event please provide a donated item to be placed in our free raffle.

Our event will be advertised in local media...thank you for your support!
