

**WINNISQUAM REGIONAL MIDDLE SCHOOL PTO  
76 WINTER STREET  
TILTON, NH 03276**

**WRMS PTO News and Notes, October 19, 2009**

Greetings WRMS families and happy autumn! Your PTO has gotten off to a busy start this year. At the Open House, we offered an inexpensive dinner of pizza from Constantly Pizza in Tilton, salad from The Olive Garden in Concord, drinks from Coke and McDonald's, brownies donated by PTO members and others, and ice cream donated by the 8<sup>th</sup> grade class. It was a great success as we served 112 meals! A hearty thank you to everyone who participated, whether it was by donating food or time, serving or dining!

**PTO Fundraisers:** This year the PTO will be selling coupon books for use at the Tanger Outlets at a cost of \$5 per book. At this great price, these books pay for themselves with one purchase, and are great for saving money on your holiday shopping. We will be selling the books during parent/teacher conferences – please look for our table. This is a great way for the PTO to raise funds, without requiring the students to do any sales. If you would like to purchase one or more coupon books, please contact a member of the PTO. Contact information can be found on the district website under WRMS PTO.

Once again, we have a designated receptacle at Hannaford's in Franklin for putting cash register slips in that are designated for the "Hannaford Helps Schools." If you purchase certain items you receive a register slip good for a dollar amount that you just place in the receptacle found at the exit door. If you cannot find it, please ask someone at the store to show you. This is free money – all it takes is the few seconds to stop at the door and drop in the slip!

The PTO is also collecting Box Tops for Education. Please help support us by clipping the coupons (and if you take the few extra minutes to trim them, we would be exceedingly grateful!) and send them to school with your child. Homeroom teachers will collect them for the PTO.

Finally, we continue to collect used ink/toner cartridges from fax machines and copiers. There is a receptacle at the front entrance of the Middle School, right outside of the office door, to place the cartridges in.

**Upcoming Events:** Look for information on a PTO sponsored "Green Night" in the spring. This event will be to promote environmentally friendly tasks we can each do on a daily basis at home, work and school, to lessen our negative impact on the environment.

Thank you for taking the time to read this flyer. As always, if you have a middle-schooler, you are welcome to attend our meetings, which are held the first Tuesday of each month in the WRMS Media Center, from 6:00 – 7:30 PM.
